	Proposition D “Preserve the Flower and Strawberry Fields and Save Carlsbad Taxpayers’ Money” (City Ballot Measure)	Proposition E “Save the Strawberry and Flower Growing Fields Act of 2006” (Citizens’ Initiative)
Zoning Changes	Changes the zoning to Open Space on all portions of the area not presently zoned Open Space	<ul style="list-style-type: none"> None included, however, follow-up amendments to the Zoning Ordinance will be necessary for the city to fully implement the Proposition
Local Coastal Program Changes	<ul style="list-style-type: none"> Does not require an amendment to the Local Coastal Program Land Use Plan 	<ul style="list-style-type: none"> None included, however, follow-up amendments to the Local Coastal Program will be required for the City to fully implement the Proposition
Compliance with Other City Land Use Documents	<ul style="list-style-type: none"> Complies with all other City land use documents 	<ul style="list-style-type: none"> Acknowledges existence of other applicable land use documents Designating the area as Coastal Agriculture may conflict with the Habitat Management Plan City Council may amend the Proposition if necessary to comply with State programs, including the Habitat Management Program
Permitted Land Uses	<ul style="list-style-type: none"> Permits only open space, farming and compatible public uses in the area as follows: <ol style="list-style-type: none"> 1) Open Space 2) Farming and other related agricultural support uses including flower and strawberry production 3) Public trails 4) Active and Passive park, recreation and similar public and private use facilities (except on the existing “Flower Fields®”) 5) Electrical Transmission Facilities Residential uses specifically prohibited 	<ul style="list-style-type: none"> Uses that support production of agricultural products and existing utility transmission corridors
Amendment Procedures	<ul style="list-style-type: none"> None required 	<ul style="list-style-type: none"> Allows amendment upon showing of substantial evidence that there is a taking of private property rights Amendment must narrowly construe compliance requirements City Council determination subject to referendum
Conflicting/Competing Ballot Measures	This measure is inconsistent with and intended as an alternative to any other initiative(s) or measure(s) placed on the same ballot that addresses the same subject matter as this measure. In the event that this measure and another initiative(s) or measure(s) addressing the same subject matter as this measure, or any part thereof, is approved by a majority of voters at the same election, and this measure receives a greater number of affirmative votes than any other such initiative(s) or measure(s), then this measure shall prevail and control in its entirety and said other initiative(s) or measure(s) shall be rendered void and without any legal effect.	<ul style="list-style-type: none"> In the event there are competing measures on the same ballot with this measure that purport to address the same subject matter of this measure, the following rules shall apply: If more than one such measure passes, then both measures shall go into effect except to the extent that particular provisions of one initiative are in direct, irreconcilable conflict with particular provisions of another initiative. In that event, as to those conflicting provisions, only the provisions of the initiative receiving the most votes shall prevail.

"Area Affected by Proposition D" - Approximately 307 acres

City of Carlsbad

"Area Affected by Proposition E" - Approximately 430 acres

City of Carlsbad
